28 Middle, Wiscasset, ME 04578 - \$310,000

Five functioning fireplaces! This 1802 home in the heart of Wiscasset's historic village has been lovingly restored and thoughtfully updated. Beautiful pumpkin pine floors throughout. Original cabinetry, doors and woodwork from the home were repurposed to keep period authenticity. Walls on the stairwell were stripped down to original layers from the 1800's and then sealed to preserve. Step onto the rear deck from the kitchen or the living room and you will find a serene Feng Shui hillside garden with delightful pools and man-made waterfalls over natural granite ledge. A secret garden just steps from downtown Wiscasset. Walk the sidewalk lined street to 'Treats' Cafe, famous 'Red's Eats', antique shops and more, or to the public landing at Wiscasset Harbor.
